Mitigation testing:

Faculty/staff/student receives email notification that they’ve been selected for testing. Email is sent Friday afternoons for mitigation testing the following week.

Exemptions are available for situations including:
1. Not coming to campus this semester
2. Not interacting with any IU faculty/staff/student
3. Currently in quarantine or isolation

Link is in email. You must submit this every time you are selected.

Schedule test
Link is in email. Schedule varies by campus.

Complete test
The testing process takes about 30 minutes.

Results are available by email and/or the Vault app.

You are NEGATIVE.

Continue with normal activities and remember to:
1. Wear a mask
2. Physically distance at least 6 feet
3. Avoid large social gatherings

You are POSITIVE.

Isolate yourself. You will be called by IU contact tracers in 24-48 hours.

Contact tracers will walk you through:
1. Identifying close contacts
2. Isolation procedures
3. Twistle enrollment (mandatory)

You will be instructed when you can come out of isolation by a text sent from the IU Health Virtual Screening Clinic. (This is usually on day 11 after your symptoms started.)
